

Kentucky Cancer Registrar's Wiki

Welcome to the Kentucky Cancer Registrars Wiki communication page! The following links will take you to pages within Wiki that contain helpful abstracting/coding information along with contact information. Your ideas for adding additional helpful information and for improvement are welcome! Please forward suggestions, comments, and questions to Tracy Sumler at tracy.sumler@uky.edu. If you experience difficulty logging into the Wiki page, please contact Clay Campbell at clay@kcr.uky.edu.

RADIO-SENSITIZING CHEMOTHERAPY: If chemotherapy was provided as a radiosensitizer or radioprotectant DO NOT code as chemotherapy treatment. When chemotherapy is given for radiosensitization or radioprotection it is given in low doses that do not affect the cancer. Please review the treatment plan or reach out to the physicians administering treatment for confirmation.
