

# Abstracted By (Class)

Organization	Field Name	ID	Required
KCR	Abstracted By (Class) (LAbstractedBy)	40085	yes
NAACCR	Abstracted By	<a href="#">570</a>	yes

Field Length: 3

The field records the initials or assigned code of the registrar who abstracted the case. A case in a multi-facility database may be associated with more than one facility, and this field exists in the class history record for each affiliated facility. When a facility creates or associates itself with a case, this field is automatically filled in with the value from Abstracted By ([item 31140](#)).
